**W**e take all the problems of expediting a grassroots lobbying campaign off your shoulders. We deliver your message with accuracy to the folks who need to hear it-state and federal elected officials and public policy makers-by using our innovative technology, software, services and database management prowess.

When you say hello to PinPOINT COMMUNICATIONS, you also say hello to:

- LOBBYNET™: real time lobbying on the world wide web
- LOBBYMATCH™: matching organizational lists with state legislative and congressional districts
- LOBBYMAIL™, LOBBYGRAMS™, and LOBBYFAXES™: generating personalized targeted mail from lists to legislators via faxes, e-mail and the postal service
- RAPID RESPONSE™: a new four-step, turnkey program designed to quickly respond to rapidly changing political developments
- LOBBYWRITE™: a software package that allows you to generate grams, faxes, and postcards
- TELEMARKETING: automated and live-op programs, patch-throughs, GOTV, and action alerts
- GRASSROOTS STRATEGIC PLANNING: campaign and message development
- LOBBYFUND™: direct mail fund raising and membership development

**So, kiss the work of grassroots lobbying goodbye and embrace the success you'll achieve with PINPOINT COMMUNICATIONS. Our clients from coast to coast love us and so will you.**
